

# 5G BUSINESS INTERNET

## UNLOCK RELIABLE CONNECTIVITY STARTING AT \$50/MONTH.

In today's age, a reliable internet connection is the lifeblood of any successful business—from POS systems to video calls to accessing critical data. However, getting wired internet from traditional ISPs installed at your business location can be a hassle. Local ISPs might not serve every location you do, requiring you to work with multiple pricing plans, bills, and support.

5G Business Internet from T-Mobile provides your business with fixed wireless access for easy, affordable coverage. With the speed and reliability of the T-Mobile 5G network, your business can unlock new opportunities.

### **Boost your bandwidth.**

Augment overutilized connections with affordable 5G fixed wireless.

### **Avoid downtime.**

Add back-up connectivity with broadband internet that helps maintain operations during unexpected outages.

### **Maximize your coverage.**

Take advantage of nationwide, reliable connectivity even in hard-to-reach locations.

### **Flex to meet your needs.**

Easy to deploy for temporary locations or as transitional connections.

Delivered via 5G cellular network; speeds vary due to factors affecting cellular networks. **During congestion, customers on this plan may notice speeds lower than other customers and further reduction if using >1.2TB/mo., due to data prioritization.** Not available in all areas; addresses ineligible for 5G Business Internet with unlimited data may be eligible for 4G LTE. \$35 device connection charge due at sale. Plus taxes & fees for accounts currently paying for a T-Mobile wireless line with additional taxes & fees or accounts with 13+ lines: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) apply; taxes/fees approx. 3-12% of bill. Qualifying account and credit approval required. For use only with T-Mobile Gateway at location provided at activation. Return gateway undamaged or pay up to \$370. **Video streaming** resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Security and productivity filtering** blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **Coverage** not available in some areas. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users. See T-Mobile.com/OpenInternet for details. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
