

## SCALE UP YOUR GOVERNMENT CLIENTS' MOBILE MANAGEMENT WITH SCALEFUSION!

Mobilfy is excited to offer an exclusive deal that will elevate your government clients' mobile device management to new heights.

- **Scalefusion® Basic MDM:** Essential Features for Government Devices
- **Special Promotion:** With each new activation carrying a Monthly Recurring Charge (MRC) of \$15 or more, your government clients qualify for a free basic annual license of Scalefusion®.
- **Core Scalefusion® Features:** This basic MDM package includes critical functionalities designed for government operations:
  - **Lock Mode:** Secure devices quickly and effectively.
  - **Wipe:** Safely erase sensitive data from devices remotely.
  - **Reset/Clear Passcode:** Manage device access efficiently.
  - **Lost Mode:** Protect devices in case of loss or theft.
  - **Play Alarm Sound:** Easily locate misplaced devices.

## WHY THIS MATTERS FOR YOUR CLIENTS?

### Enhanced Security and Control

These features provide essential security and management controls, crucial for government agencies.

### Improved Operational Efficiency:

Streamline device handling and safeguard sensitive information effortlessly.

### Cost-Effective Advantage:

This offer adds significant value to your clients' mobile strategy, combining advanced MDM features at no extra cost.
